The EFW Experience

At EFW, the golden rule is our guiding principle. We've worked hard to create an environment that treats our clients, partners, and each other the way we would want to be treated. The EFW Experience is why our Net Promoter Score (NPS) remains high, why our relationships with our partners are strong and steadfast, and why our customers recommend us time and time again. To put it simply, it's about caring—every day, every step of the way.

The EFW Experience is our:

CAPACITY

We've partnered with 10,000+ carriers to bring you the capacity and choice you need. And, our connection to our parent company, Estes Express Lines, brings you access to 230+ terminal locations, 27,000+ trailers, and 8,000+ drivers.

LONGEVITY

When you're in the shipping business, stability is key, and that includes financial stability. Since we were founded in 2003 we've grown every year—expanding our network to deliver better solutions to the customers we serve.

REPUTATION

Our business is backed by a full range of accreditations, and recognized with a wide array of business awards. We take great pride in maintaining a high NPS year after year.

PROCESS

The EFW process enables us to bring customers the most optimal solution for their needs. From discovery, to design and implementation, to in-depth reviews, we work hard to exceed expectations every time.
